---

**I & CAD (WRG-GRC) DEPARTMENT**

**G.O.RT.No. 583**

**Dated: 05.08.2015.**

**Read :**

From the ENC (AW), Hyderabad Lr.No.ENC(I)/SE(CADA)/DEE / AEE/ 2602/SEIWAM/2015-16, Dt:07.07.2015.

• \* \*

**ORDER:**

In the reference, read above, the ENC (I), Hyderabad, has requested to accord approval to the 2<sup>nd</sup> SCIWAM Committee recommendations on the action plan for release of water, project wise during the water year 2015-16.

2. Government, after carefully examining the proposal of the ENC (I), Hyderabad, hereby accord approval to the recommendations of the SCIWAM on the action plan for release of water from the various Projects in the State, during the water year 2015-16, as follows:

**1. Kaddam Project.**

Release 3.00 TMC of water from the 1<sup>st</sup> week of July onwards or as decided by the District Authority for growing Nursery and Kharif Irrigation and also for requirement of drinking needs under Kaddam Project.

**2. Sriramsagar Project:**

Release of water from S.R.S.P for the occasion of Godavari Pushkaralu as and when specific requirement is needed by maintaining sufficient storage in the project and working out the travel time properly to reach the Ghats areas.

**3. Nizamsagar Project:**

Release of water 0.5 TMC from 1<sup>st</sup> week of July, 2015 from Nizamsagar Reservoir for the drinking water requirement of Nizamabad town and en route villages.

**4. Nagarjuna Sagar Project:**

At present sufficient water is not available in the reservoir to release water for irrigation under NSLBC & AMRP Projects. Net availability of water under NSP as on 29.06.2015 is 5.15 TMC. Which is required for drinking water needs of Hyderabad & other towns. The Committee reviewed the water levels in the reservoir and instructed the Chief Engineer, NSP to work out proposals of releasing water as and when water is available in the reservoir and submit promptly.

**5. GLIS Project:**

The Committee reviewed and recommended by Chief Engineer, GLIS proposal and permitted to release water as and when required for Minor tanks.

**6. Priyadarshini Jurala Project:**

Release water immediately from 1<sup>st</sup> week of July for growing of Nursery depending upon the inflows.

**7. Rajolibanda Diversion Scheme:**

Release water from 15<sup>th</sup> July, 2015 as per the general practice of Khariff Irrigation.

**(P.T.O)**

3. The Engineer-in- Chief, Irrigation, Hyderabad, shall take necessary action accordingly, subject to availability of the water and maintain the water levels, as per rules in the above said Projects.

(BY ORDER IN THE NAME OF THE GOVERNOR OF TELANGANA)

**Dr.S.K.JOSHI**  
**PRINCIPAL SECRETARY TO GOVERNMENT**

To  
The Engineer-in-Chief, Irrigation, Hyderabad.  
SF/SC.
